## Energy Saving Solutions

[www.adgEcoLP.com](http://www.adgEcoLP.com)

### INDUCTION LIGHTING TECHNOLOGY:

- save you money in utility costs
- help you reduce your carbon footprint
- significantly defer your lighting maintenance cost

• INDUCTION LIGHTING SAVES 50%-90%

• 5 YEAR LIMITED WARRANTY

• OUR 'CLOSED LOOP RECYCLE PROGRAM'  
REMOVES YOUR OLD PRODUCT AND  
PLACES IT BACK INTO THE SYSTEM

"It was such a pleasure working with Gerald. During the concept phase, he created beautiful sketches to convey his design ideas. During the manufacturing phase, he found alternative materials to meet our budget. And, during and after the installation phase, he went out of his way to make sure the final pieces were just right."

Deirdre Wallace, Hotelier
